

LAST UPDATED: July 12, 2015

VERSION: 0.5

Welcome to Vyc and tinsnip's English-Kardasi dictionary! This is currently a work in progress, so don't forget to check back and make sure you have the latest version. Sources for the words listed here are found at the end of the document; abbreviations I've used follow.

Please note this is not a usage guide. Lesson plans detailing how to use the language are in the works.

Thanks for checking out this dictionary, and if you have any questions, please contact us either on tumblr (message feltelures, tinsnip, or cardassianlanguage) or via email: pey.eltekec.er@gmail.com (Vyc) or loxkardasia@gmail.com (tinsnip). hintik! <3

Abbreviations:

[]): word not yet constructed; placeholder

*: insert word being defined; ex. animal: egg-laying * = egg-laying animal

~: approximate equivalent to English/Kardasi word; ex. a preThok is a bird of prey on Cardassia similar to, but not identical to an eagle.

abbr.: abbreviation

adj.: adjective

adv.: adverb

arch.: archaic; word no longer in common usage, probably inherited from previous Cardassian languages

aux. v.: auxiliary verb

colloq.: colloquialism; slang

conj.: conjunction

interj.: interjection

n.: noun

pl.: plural

prep.: preposition

pro.: pronoun

sing.: singular

v.: verb

vulg.: vulgar; this is a swear
