List of independent radio stations

From Wikipedia, the free encyclopedia

This article may **require cleanup** to meet Wikipedia's [quality standards](#). No [cleanup reason](#) has been specified. Please help [improve this article](#) if you can. *(May 2011)* ([Learn how and when to remove this template message](#))

This is the **list of independent radio stations**. Included are any [non-profit](#) terrestrial [broadcast community radio](#) stations not directly [affiliated](#), owned, controlled by any [radio network](#), [school](#), [company](#), or [government](#). All [independent radio](#) listed stations are independently operated (*not necessarily the [radio format indie music](#)*), and are considered to be community radio. A counterpart to this list is the [list of college radio stations](#) (some of the [college radio](#) stations are also community radio stations).
